Construction Starts On New "Old Courthouse Building"

Actual construction is well underway on the Courthouse building at the Appomattox National Park. Footings are in, the foundation has been poured and the walls are beginning to come up. By November, the four walls and the roof should be complete. Temporary exhibits are set up showing the old building as it was in 1865 and as it was in 1890. According to a Park Service spokesman, the 1890 exhibit gives a better idea as to how the restored Courthouse will look when completed, and invites people to come down and see the progress being made.

Children's Home Society Drive Begins Today

Appomattox County's annual campaign for the Children's Home Society of Virginia will begin on August 15th.

Mrs. John L. Sneed, the county chairman, has secured the following persons to serve as local chairmen: Mrs. A. R. Harwood, Jr., co - county chairman; Clover Hill District, Mrs. John Kent Hamilton; Spout Spring District, Mrs. Nell Walton; Stonewall District, Mrs. Robert B. Martin; Town of Pamplin, Mrs. Lesley Hartard for Vera, Mrs. John Gunter.

Sponsors of the drive are Mrs. John Kent Hamilton, Mrs. John L. Sneed, Mrs. C. M. Stratton and John P. Taylor.

Mrs. Sneed asked everyone who can to contribute to the drive this year.

"Last year the society received 159 new babies," she said. "In spite of the greatly increased capacity, however, the society is having to turn many babies away because of the lack of resources. Imagine how you would feel if you had to refuse help to a child who really needed that help. Your gift will help to give some homeless baby a real chance in life. Give generously from your heart."

Gilbert James, Jr., son of Appomattox County agent left Sunday for National 4-H Citizenship Short Course at Chevy Chase Junior College in Surburban Washington, D. C. He and eight other 4-H'ers will represent Virginia.

Farmers Urged To Report Completed ACP Practices

Farmers who have completed conservation projects approved earlier this year under the 1963 Agricultural Conservation Program were reminded today to file their report of performance for cost - share assistance.

J. A. Martin, Chairman, Agricultural Stabilization and Conservation County Committee, points out that the earlier such reports on completed practices are filed, the sooner the ACP payment can be made. This will permit the farmer to meet the expenses incurred in carrying out the practice, and if he has other projects approved for completion this fall, the cash payments can help to get the additional conservation under way. With spring conservation projects completed and the cost shares received, it will be easier to concentrate on other work that needs to be done.

The Chairman said that if a farmer has received approval for a practice which he later finds he is unable to carry out, he should report this to his County Committee. This may permit the Committee to approve another practice for him or for some other farmer in the county.

ACP, Mr. Martin explained, has been authorized by Congress in recognition of the fact that the natural resources on individual farms are vital not only to the farmers and ranchers who operate the land but also to the health and well-being of each citizen, both now and in the future. The cost - share assistance available under the program is an evidence of the whole nation's interest in helping insure the wise use and adequate protection of farmlands throughout the country.

Country Club Sets Date For Golf Tourney

Saturday, August 31st through Monday, September 2nd is the date that has been set by the Tournament Committee for the 3rd annual Golf Tournament sponsored by the Appomattox Country Club.

In order to qualify for tournament play, club members are asked to "post" scores for at least 12 games so that handicaps can be figured. A total of 36 holes must be played by the men, 18 holes by the women and Junior golfers in the tournament, either on Saturday, August 31; Sunday, September 1; or on Monday, September 2, and golfers are asked to play in foursomes wherever possible.

Two Challenge Trophies will be awarded: one will go to the Club Champion for men, the other to the lady who proves to be Club Champion. These two winners will also receive one-half dozen Titelist Golf Balls.

Trophies are to be given, also, to the three Tournament Champions — one for men, one for the ladies and the third will go to the Champion in the Junior Division. Second place prizes will be six Titelist Golf Balls and third place winners will get three Titelist Balls.
